

Friday Night Handicapping Contest Rules 2022

Simulcasting at Red Mile will host a handicapping contest on races on Turfway Park and selected night race tracks as scheduled on Friday nights in 2022: January 7, 14, 21 and 28; February 4, 11, 18 and 25; and March 4, 11, 18 and 25. **Tracks will include Turfway and other simulcast tracks running between 6 PM and 10 PM (Including but not limited to Santa Anita, Golden Gate, Penn National, Delta Downs, Sam Houston and Fair Grounds). Registration will open at 4:30PM at the Programs booth in the main simulcast area. Players may sit anywhere in the main simulcast area or Wagers; contest windows will be available in both areas.**

The contest entry fee is \$25. FOOD IS NOT INCLUDED. You may order food on your own from Wagers or downstairs at Frankie's Bar & Grill. YOU MAY NOT BRING YOUR OWN FOOD INTO THE FACILITY. Contestants will make a mythical \$2 win and \$2 place wager on one horse only in any twelve races from the participating tracks with a scheduled post time between the hours of 6:00 PM and 10:00 PM EST.

Entries

- **Contestants must be at least 18 years old.**
- Entry fee will be \$25 with a maximum of four entries per person.
- Registration will be held at the Programs Stand in the main Simulcasting area at Red Mile. The contests will be held in the main Simulcasting area and Wagers.
- **Deadline for registration will be the post time for the third race at Turfway Park at approximately 7:15 PM.**

General Information

- Full-time Keeneland and Red Mile employees and employees of United Tote are ineligible to participate.
- Contestants will use a swipe card and/or an identification number when making selections for the contest.
- There is a 20-1 "cap" on the win wager (\$42 maximum payoff) and a 10-1 "cap" on the place wager (maximum \$22 payoff).
- The contest is based on winnings only. A contestant may elect to not make a wager on any race but the \$4 cost for the contest wager does not stay in the account.
- Contestants can choose only one horse in each contest race and may not play any race more than once.
- **If a late scratch occurs or a horse is declared a "non-starter" in any contest race, the contestant must return to the terminal to cancel the ticket and select another horse for the contest race. If a late scratch occurs or a horse is declared a "non-starter" and post time prevents the selection of an alternate horse or bet cancellation, the wager will be refunded.**

- It is the contestant's responsibility to check all mutuel tickets before leaving the terminal.
- Please keep your contest mutuel tickets until the final standings have been declared official.
- All wagers must be made in person; no proxy wagering is allowed.
- If any track cancels racing prior to the first race on a night when only two tracks are running, the contest shall be reduced to six races at the remaining track. If any track cancels during the scheduled card, the contest coordinator will determine if the number of contest races will be reduced. If all tracks cancel prior to the running of a minimum of six total races, the contest shall be canceled and all money refunded. In all other circumstances, management will determine as to the final disposition of prizes.
- In the event of a tie among the winners, the prize for that place and the following place shall be combined and divided equally.
- OFFICIAL STANDINGS AND ANNOUNCEMENTS ARE AVAILABLE ON TVS THROUGHOUT THE FACILITY.
- The top TEN PERCENT (up to a maximum of 10 per night) of the qualifying contestants will be eligible to compete in the Tournament of Champions to be held in November 2022. A contestant may qualify only one time for the Tournament of Champions. This does not affect cash prizes for the qualifying rounds.
- Simulcasting reserves the right to amend these rules at any time.
- In all rulings, the decision of the contest coordinator is final.
